

How to register an accompanying person(For those who are newly registered)

①Select the “Registration”and”accommodation” and Click the “Next” botton

The screenshot shows a registration interface with three main sections. The left section, titled "New Registration (If you do not have a Log-in ID)", contains a list of options: "Registration" and "Accommodation", both with checkmarks. Below these is a red "Next" button. A red circle highlights the "Registration" and "Accommodation" options and the "Next" button. The middle section, titled "If you already have a Log-in ID, please start from here", contains a text input field with "niigata03", a password field with "*****", and an orange "Log-in" button. Below the "Log-in" button is a link: "Forgot your ID or password? Click [Here](#)". The right section is titled "EU General Data Protection Regulation (GDPR)" and contains text about privacy policy and links for "Information notification statement by organaizer" and "Information notification statement by JTB". At the top right, there is a note: "* the content may be subject to change." At the bottom left, there is a "Security" icon and a footer with "amarys-jtb.jp" and a date "2019-07-31 13:09 JST".

- ② Fill in the required information and press “next”
※Do not select the “add accompanying person”

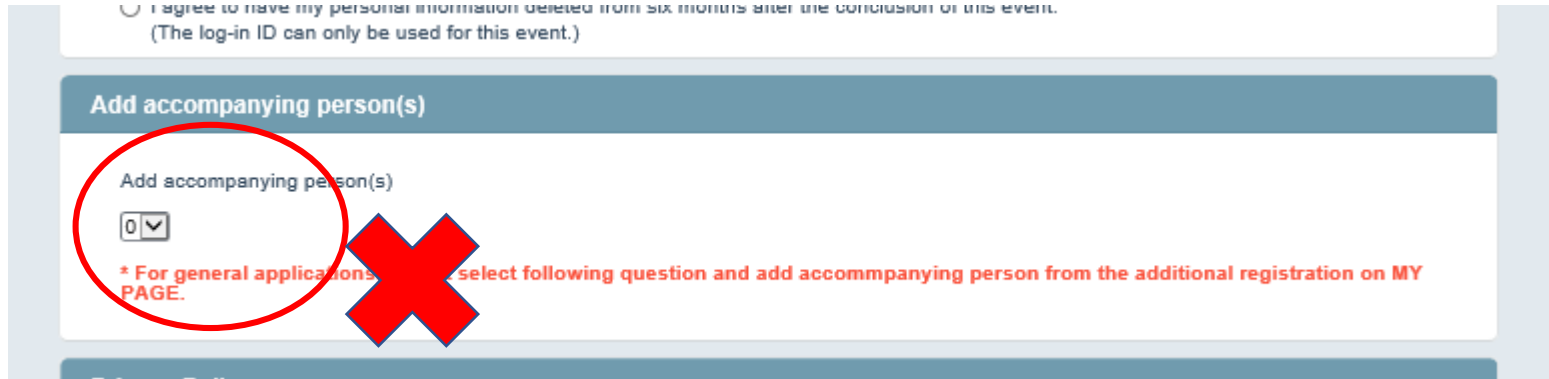

I agree to have my personal information deleted from six months after the conclusion of this event.
(The log-in ID can only be used for this event.)
