

Notes for General Data Protection Regulation (GDPR)

Residents in any one of EEA member countries, namely a member country of the EU, and Iceland, Liechtenstein or Norway are requested to read the following notes.

- Personal data acquired through this registration will be used only for the following purposes:

- (1) Notification of participation in SNA+MC2020 conference
- (2) Registration for SNA+MC2020 conference
- (3) Responding to your queries or requirements
- (4) Sending information on upcoming SNA+MC series conferences

- Personal information will be transferred to Japan, and stored in JTB Corp.'s server in Japan. SNA+MC2020 Organizing Committee will manage personal information of the respondents in an appropriate manner while Japan has not been certified yet by the European Commission with respect to compliance with the criteria for data protection.

- A respondent has the right to require SNA+MC2020 Organizing Committee the access to his/her own personal data, correction of his/her incorrect data, and restriction to data processing during the verification of the correctness of personal data.

For inquiries, please contact “snamc2020@gakkai.co.jp” responsible for this registration. If you are unsatisfied with the handling of personal data by SNA+MC2020 Organizing Committee, you are entitled to file a complaint with the supervisory organization of a member country of EEA.

The respondent has the right to withdraw this agreement at any time, and such withdrawal has no impact on the legality of data processing procedures and /or data transfer, both conducted before the withdrawal.
